Class Three Newsletter

This Week

The class this week have continued their fantastic start to the new school year. With routines, responsibilities and expectations well established, the class have knuckled down and worked incredibly hard throughout the week. The children even took on the extra pressure of helping the rest of the school to understand a little bit more about friendship and the qualities that a good friend should have

- Love, Trust, Kindness, Truthfulness, Compassion, Laughs and a few Giggles.

We had a birthday in Class Three this week so a very special happy birthday mention to Natalia Evans who turned 9 on Wednesday!

Within their Maths lessons this week the children have been writing numbers as words as well as numerals, counting in 10s, identifying the place value of digits in a number, partitioning numbers, and then using their partitioning skills to add and subtract larger numbers. A special mention for Cayden Essien whose partitioning skills shone particularly brightly throughout the week - well done Cayden! In Maths next week the class will be comparing and ordering numbers up to 1000, finding 1, 10 or 100 more or less than a given number, and rounding numbers to the nearest 10 or 100.

In English this week the children identified and explored sentence starters and adjectives in order to make their writing even more exciting. In English next week the children will explore the use of speech marks in their writing.

Talk Time

Please talk to your child about online safety and the importance of keeping personal information safe, being kind to others, asking permission to use websites or to share photos, and to tell an adult if something upsets them online.

Important Dates...

Class Three Welcome Meeting Thursday 22nd
September at 6pm.

Reading & Writing Parents Session - Wednesday
28th September at 6pm

Don't Forget...

Please send a named drinks bottle into school that
can stay in class throughout the term.

You can buy one from the school office for £1.
