## Class 5 Newsletter – Friday 7<sup>th</sup> October 2016

### This Week

It has been another very busy week this week in class 5. In English we have been learning how to edit and improve our stories. We have learnt a lot about how Michael Morpurgo writes his stories and we have been trying to recreate that in our own writing. In Maths we have been learning about angles, what their names are, how to estimate and measure them and noticing similarities of angles in shapes.

Samantha and Kezia led a lovely class worship this week all about friendship. It was really nice to hear all the positive things we had to say about each other. Thank you to you both. Next week it is the turn of Ethan, Archie and Calum to deliver class worship about peace. I am really looking forward to seeing what they come up with.
