

Class 5 Newsletter

Summer Term – 20/04/18

This Week...

Maths

This week we have been revising multiplication and division including the formal methods for calculating, multiples and factors.

English

This week has been 'EXTREME ENGLISH' week in school. We have been using our knowledge of words to write some excellent '6 word stories'! We have also had a visit from the local library service and an outdoor reading challenge! The children made a fantastic effort with their costumes on Thursday and enjoyed a morning moving around the classes partaking in different learning activities: role play, poetry writing and character description.

Next Week...

Maths – we will be continuing our revision work looking at fractions, decimals, percentages, ratios and scaling.

English – We will be reading and answering questions everyday! Additionally we will be doing some creative writing.

**Please read the information leaflet about the upcoming SATs tests. This will provide you with dates and arrangements for the tests. As always, please come and see me if you have any questions at all.

Important Dates

- OPEN DOOR - Wednesday 3.20pm until 3.40pm. Please feel free to visit our classroom and ask any questions you may have.
- w/b 14th May SATs week for Year 6
- 25th May – we break up for the half term holiday.

Don't forget!

- There will be no project sent home this half term due to SATs preparation.

Thank you to everyone who supported the book fair this week and last week in school. Also a big thank you to parents for the fantastic book character costumes on Thursday!
