Homework

- Homework is given on Thursday and is returned on Monday morning.
 - This will either consolidate learning from the past week or challenge them for the week ahead.
- If your child has any difficulty with their work, please inform me with a note in their homework book or reading record.
- We are teaching spellings differently, so no spelling lists will go home only Year end expectations

Home reading

- Reading at home should take place 5 times a week for a minimum of 10 minutes.
- This is with their **school reading book**.
- If they read their reading book independently, they can record this too.
- Please record when your child has read in their reading diary with a comment too.
 - 'Matthew read to page 23. He read struggled with expression.'

Times tables

- These are priority for KS2 children and they need to be practised regularly.
- There are lots of free games on the internet to help them improve.
- Year 4: 2, 3, 4, 5, 6, 9, 10x tables
- Year 5: all of the above plus 7, 8, 12x tables
