Please come along and support your child in becoming a lifelong reader. For every book sold, school receive rewards which we can spend on books for our class and school libraries. Thank you 😊

Harvest Appeal Day

Next Thursday, the 23rd October is our Harvest Appeal Day. Children should bring a donation of £2, which will allow them to come to school dressed in the colours of the South African flag (red, green, blue, yellow, black, white), make a recycled craft item and take part in other fun Harvest activities.

Lea Road Entrance

Please do not allow your child(ren) to play between the parked cars on the drive, or on the grass in front of school. Children should wait with their grown up until the gates open, in the same way that the children from other classes come through the main entrance. In the past we have had unintentional damage to cars and accidents on the grass which could have been avoided. Thank you for your support with this.

In Class

In class this week, we have been discovering all about Elizabeth the First, the last Tudor monarch. Ask your child to tell you all about her disgusting habits as well as her amazing achievements. We have been tackling column addition in Maths and learning how to exchange ones into tens if we have too many! Miss Wilson harnessed the art of making a ruff in History so that the children understood just how uncomfortable Tudor life could be! Our amazing Tudor houses created a 'street' which we walked along, hearing the sounds of the 1500s. I am not sure many of us would travel back there in a time machine!
