Curriculum Award: Daisy

For: Persevering in maths and having her 'lightbulb' moment with column subtraction.

Star Writer: Molly

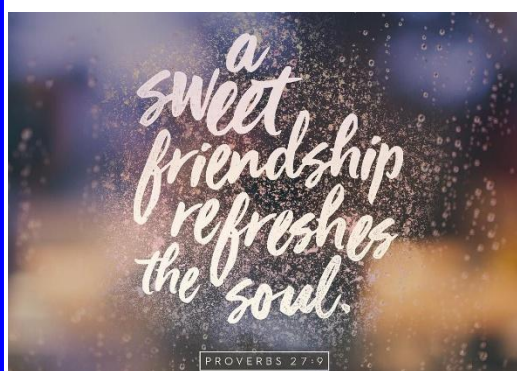

For: using fabulous punctuation to write a dialogue between two characters.

Class News

We have had a great few weeks here in Class 4. The children have been working hard in all of their subjects as we draw their learning to a close on each topic. In English, they have been working on their grammar skills; focussing on clauses in complex and compound sentences as well as punctuating speech. They have been writing their own dialogue for the characters we have encountered in the story 'Treason' by Berlie Doherty. It has been lovely to see so many children be inspired by the vocabulary that they are discovering in texts they are reading independently. We have started a 'Vocabulary Detective Hunt' in class for the words that they have been finding and collecting when reading at home. The children have then been using a dictionary to find the meaning in school and add it to our whole class vocabulary bank. We have discovered words such as; trundled, accomplish, fjords, extinguish, elongate and babble. I am looking forward to seeing some of these fantastic words in their independent writing! I hope you all have a wonderful half term break and I look forward to seeing you on our return to school on Tuesday 4th November.

Mrs Griffin and Miss Turner.

P.S. Please do send any pictures of your holidays to my e-mail address at the top of this page, (adventures and cosy film nights alike!) Mrs G 😊

Thank you to everyone who came to the harvest service at St Christopher's Church on Sunday. It was lovely to see some Class 4 faces there to share the blessings of the harvest festival with our school and church community. Please do continue to support our lovely school church in any way that you can.
