Friday 19th December - Close for Christmas at 2pm.

Class News

*We have had a lovely few weeks in Class 4! We have been continuing our learning, starting a new text in English called "The Firework Maker's Daughter". The children have been enjoying exploring the text and using PEE (point, evidence, explain) in their writing. Ask your child about 'crackle dragons'! In maths, we have started our learning about written multiplication, focussing on the short multiplication method, multiplying Th,H,T,O numbers by ones. In Science, we have been investigating the processes of freezing and melting and how water changes state from a solid to a liquid. In Geography, we have been continuing our work on rivers to study our local river, The River Ribble and famous rivers in Europe. The children are all very excited for the wonderful Christmas activities that are coming up. Please note that these are **behaviour dependent**. Thank you for your support, Mrs Griffin. 😊*

PANTO TIME!

Children are welcome to bring a drink and a snack to enjoy at the pantomime. Please choose **1 or 2** of the following items: standard sized bag of crisps, chocolate biscuit, small chocolate bar e.g. Freddo or Milky Way, raisins, cereal bar, crackers, breadsticks. No fizzy drinks or cans please - a carton drink or a drink in a disposable plastic bottle are both good options. Thank you.

Times-Tables Top Tips:

Please practise your child's times-table facts at home as much as possible. Your child will benefit from daily TTRS practice, as well as random recall with family members to practice facts.

For I know the thoughts
that I think toward you,
says the Lord
thoughts of peace
and not of evil.

to give you a future
and a hope.

Jeremiah 29:11
