Certificate Winners

This Week

Christian Value – Ebony for her compassionate nature. Nominated by Rhema and Maisie.

Curriculum Award – Kobi for deep thinking in Science this week.

Star Writer – Sam for his thoughtful letter from the trenches.

Key Dates

6th -11th November - Book fair after school. All welcome.

Monday 10th November – Odd Socks Day - children can come to school wearing odd socks or whacky tights to celebrate our God given uniqueness (no charge) and support Anti- Bullying Week

Tuesday 11th November – Year 6 Remembrance Service @10:50 am

Tuesday 18th – Parents' Evening 1 - 3:30-6pm

Poppy Appeal

A reminder that children can still purchase a poppy or other items from our Royal British Legion Poppy Appeal Box. Please see Mrs Seagrave's letter sent out earlier this week for more details.

Yr6 Remembrance Service

Parents and families of Year 6 pupils are warmly invited to join us in our Remembrance service this Tuesday starting at 10:50am.

Have you visited the school website?

You will find a wealth of information there, including class targets and much more detail surrounding the curriculum for your child.

Class Open Door

Please feel free to visit me in Year 6 and ask any questions you may have.
Mr Pratley

Monday 3:20pm – 3:40pm

Alternatively, you can email me using the contact details at the top of the page.

Class News

Welcome back to what is sure to be an incredibly busy term for our Year 6 pupils as they take on the roles and responsibilities that come with being the oldest in school. The first of these takes place this coming Tuesday at 10:50 am when Class 5 will deliver the Remembrance Worship to the whole school, their parents and families. Please do come along if you can to support them in this important event.

Permission slips have also been sent home with children who kindly volunteered themselves to be our Parents' Evening Prefects on the 18th and 19th of November. This again is quite a responsibility and they are always a massive help in keeping the teachers on time!

Whilst we have been writing a letter home from the trenches in English, in Maths we have worked hard on learning a range of strategies for ordering fractions, such as comparing them to a half or using the numerators. In Science, the children have re-acquainted themselves with electrical components by making and drawing a range of different circuits. We are looking forward to using this skill in combination with DT over this term and the next to design, build and test our own vehicles!

Do you know how WW1 started? Why not ask your child as they have studied this in History and should now be able to explain what is quite a complicated set of events that led to the Great War and the sacrifice of so many lives.
