No fizzy drinks or cans please – a carton drink or a drink in a disposable plastic bottle are both good options. Thank you.

Class News

It is hard to believe that we are already more than half-way through the term and Christmas is on the horizon. Thankfully, we have been so busy these past few weeks that we haven't really noticed!

Thank you to all the parents and family members who attended our Remembrance Worship on the 11th November. I was extremely proud of the way in which the children delivered their lines with seriousness, clarity and prosody. Linking to this, we have continued to learn about the causes and impact of the First World War in our History lessons, including how propaganda was used to influence people's perceptions.

In English, we have written a letter to Albert's father to persuade him to either keep or sell Joey – the horse. Parents beware as your child now knows how to use repetition, emotive language and rhetorical questions to make you agree with their point-of-view! This week we have begun to gather ideas for writing our own version of a battle scene.

DT lessons also link to the war as we have been drafting some initial ideas for a first motorised ambulance for WW1. The plan is to use our circuit skills from Science and coding skills from Computing to build a controllable model.

Thank you for your continued support with homework and regular reading – it really does make a difference. Remember – if your child is finding some work a little challenging – remind them that it is ok – they just don't get it YET. If you have any concerns do get in touch. Mr Pratley
