Come to school – it's really cool!
Be on time – it helps you shine!

Diamond 9

Our Diamond 9 word this week in class has been 'Courage'.

Class 1 Newsletter

Friday 16th January

Reception

We are all refreshed after the Christmas break and were excited to see our friends again. We are exploring the story of the Gingerbread Man and wrote a speech bubble to say what he said as he ran away. We will be using our tricky word and phonic knowledge to retell parts of the story. In Maths we have looked at 1 more and 1 less and have used counters, cubes and our fingers to show the amounts. In RE we have thought about our favourite stories and are learning some of the stories that Jesus would have known as a child. We explored the story of Noah's Ark and painted some beautiful rainbows.

Year 1

We are enjoying reading and innovating the story of The Enormous Turnip. This week we have been exploring different words for enormous, and next week we will be writing our own version of the tale.

In Maths, we are looking at the place value of numbers from 11–20, recognising how many tens and ones each number has and what that means and looks like. We have also started to move from number tracks to number lines.

<https://www.familycorner.co.uk/>

is a useful online site run by the Early Years Alliance, supporting parents & carers through pregnancy, birth and the early years. We hope you find it useful.

We are trying very hard to put on our own coats and accessories in the cold weather. We'd love your support in showing your child how to zip up their coat and put their fingers into their gloves! Please check that all coats, hats, scarfs, gloves etc are named. We have a box in the cloakroom for children to put them into so that they don't go missing. PS Lost Property is bulging so please check for missing items. Thank you.

Reception Certificate Winners	Year 1 Certificate Winners
