<p><u>In Class</u></p> <p>Welcome back to the new Spring Term! Although the weather does not feel very Spring- like yet, we are enjoying the beauty of the icy mornings with the pink sunrises and the frost on our field. The new term has started in earnest with regards to our learning. I was really pleased that the children returned refreshed and ready to learn, and we have now made a start with all our new topics. Please note that if you would like a more detailed look at what we are covering this half term, the Class Overview and Spring Targets are available on our school website. The children are very excited to be learning about The Romans in History, and we are making this learning as cross curricular as possible, studying a historical novel in English and sewing a Roman purse in Design Technology. We are deepening our understanding of Multiplication and Division in Maths and finding out all about Jesus' miracles in our RE learning. We are very blessed to be having some tennis and badminton coaching from Rhys, a PNE coach on Mondays for this half term too. ☺</p>
