31st March - Close for Easter @ 2:00pm

### Class News

Happy New Year and welcome back to Class 4. It has been a busy two weeks of learning, as we have started our new units across the curriculum. In Maths, we have been looking at fractions and equivalents by using our multiplication skills. In English, we began reading our new text. 'The London Eye Mystery', ask your child about Ted and his unique ways of analysing! In Science, we have been looking at the shape of the planets, sun and moons, as part of our new topic 'Earth and Space'. It has been lovely to see Class 4 return with a fantastic attitude towards their learning, ready for a fantastic 2026! Please keep an eye on newsletters and e-mails for information regarding our Borwick Hall trip.

### Our Christian Value this week is:

## Thankfulness

### Independence

We encourage all children at Lea Endowed to be independent learners. Please ensure that children are independently thinking about their belongings, i.e. school bag, lunch box, coat and water bottle. This will help them to develop their own sense of responsibility and will stand them in great stead for when they are in Year 6 and beyond. Thank you 😊

### Times-Tables Top Tips:

Please practise your child's times-table facts at home as much as possible. Your child will benefit from daily TTRS practice, as well as random recall with family members to practise facts.
