Our theme this half term is
JUSTICE

"Let your light shine." Matthew 5:16

This half term, our Christian value is **Justice**, and in recent weeks, many of us have been aware of troubling events in the news and around the world, where there often seems to be such little Justice. Children, even our youngest, often pick up on the emotions of adults or hear snippets of conversations that leave them feeling unsure or worried. As a school community, we want to support families in helping children feel safe, heard, and loved. We continue to pray for fairness, peace, and compassion in our school family and across the wider world. We encourage our children to understand justice not only as fairness, but as acting with kindness, courage, and integrity (**doing the right thing when no one is looking**). We began the New Year with an online launch of Blackburn Diocese's 100th Birthday. Its Centenary Year hopes to bring together hundreds of church schools who are learning about the value of kindness and sharing '**Jesus Christ, the same yesterday, today and forever**'. As a church school, we hold fast to the comforting truth that God's love and presence remain constant even when circumstances and world events are changing all around us. There are many useful resources on our website to help, if you or your child is struggling, but please be free to get in touch if we can help in any way.

REMINDER: Is My Child Too Ill for School?

As we are well and truly in the middle of the coughs, colds & viruses season, please see the advice from the government below & click on the link for more detail.

"Schools should continue maintaining high attendance expectations and refer parents to [NHS guidance](#) to know when a child is too ill for school. Pupils shouldn't miss school on a precautionary basis and can normally attend with a mild cough or cold, unless they have a fever or diarrhoea or vomiting."

Thank you for your ongoing support, have a lovely weekend,
CM Seagrave
