### In Year 1...

We had such a fantastic time at Bring Yer Wellies. Melissa and Nigel were wonderful hosts and ensured the day ran smoothly. When we arrived, we were able to play in their giant sandpit before moving on to learning about plants. After discovering what plants need to thrive, we planted our very own oregano, which the children have brought home to care for. Nigel instructed them to give it "just enough" water, and we hope to see how their herbs are growing in a month or two.

We then looked at Melissa's wormery, which she has had for 14 years! We saw where the worms liked to be and how they transformed old food into compost.

We were VERY excited to eat our packed lunches! After lunch, we raced our team's cork boats on the stream at the bottom of the hill, then went on to build dens in the woods. What a wonderful day—jam-packed with fun and adventure.

### In Year 2...

This week in our English lessons we have explored the characters of Aladdin in more depth and sequenced key events in the story. We have looked for clues to their thoughts and feelings in the text and begun exploring writing a diary entry.

In Maths we have been finding amounts, comparing sets of amounts and calculated totals. Please continue to support your child to make amounts with coins and work out how much change they need from a £1.

In Music we have been using our new musical instruments to practise, and play, accompaniments for the song we have been learning.

### Y2 TRIP INFO - 'BRING YER WELLIES'

We are VERY EXCITED about our trip next week to 'Bring Yer Wellies'! Your child may wear their own clothes for this visit. We will be outside all day so please ensure your child is warmly dressed and has a waterproof coat, and hat and gloves if the weather is cold.

They should wear strong footwear and bring their wellies in a separate named carrier bag to change into. Your child will need a named disposable packed lunch and drink. Ensure all food items are nut-free - we have a child in class with a severe nut allergy. Please note that all trips are behaviour dependent.

Thank you and have a lovely weekend,  
Mrs Ramsay, Mrs Lucarelli & Mrs Edwards
