Class News

We have had a lovely couple of weeks in Class 4, continuing our learning throughout the curriculum. In maths, we have been looking at decimals and their value, focussing on tenths and hundredths. In English, we have been reading our class novel, The Magic Faraway Tree and making some fantastic predictions. In Science, we have been planning and conducting an investigation into how plants grow and the variables we could change to test their ability to grow in dark, cold or wet conditions. In Geography, we have been continuing our learning about Northern Italy and talked about physical and human features.

Parents Evening is next week, please make an appointment in the foyer to make sure you can select a time that works for your family. If you are unable to make an appointment, please see me any time to arrange a meeting to discuss your child's learning.

Thank you, Mrs Griffin 😊

Our Christian Value this week is:

Humility

ACT JUSTLY
LOVE MERCY
WALK HUMBLLY

Thank You!

A huge thank you to you all for your generous donations for our Sponsored Bog-Eyed Jog!

The children did a fantastic job and managed to beat their target laps! Well done to everyone, we are very grateful for your generosity.

We will let you know our total soon.
