Tues 10th March – Bog-eyed jog fundraiser

Tues 31st March – Last day of Spring term. 2pm closure.

Certificate Winners

This Week

Christian Value – Harley J for showing kindness and compassion to pupils and staff.

Curriculum Award – Louie for fantastic focus and attitude to learning.

Star Writer – Jess for using a range of sentences to create tension for the reader.

Our Gardening Club Needs You!

After the success of our Gardening Club last year, Mrs Moores has run low on supplies! If you have any compost or seeds that you can donate to the school, she and the children will be extremely grateful.

Class News

I hope that all the children enjoyed their half-term and didn't have to spend too long recovering from their exploits at Borwick! Hopefully they have told you all about their adventures and 'best bits'. As we always have done, there will be a special Borwick Worship in school to which parents and family are warmly invited. The date for this will be confirmed early next week.

As we had planned, the Year 6 children took on some more challenging activities this year including caving, sit-on kayaking and raft building. We were so pleased to hear that these were some of their favourite activities – the caving in particular was a special experience. Apologies if you were faced with a case full of soggy clothes as a result; it was definitely character building for the children!

Now we are back into normal routines, everyone is working hard to secure their best strategies in arithmetic which they are also using to solve multi-step questions in Maths. Children can find unpicking word problems quite tricky so we are giving lots of time to exploring different strategies for working out what they need to do. In English we are working towards writing a piece of narrative writing full of suspense while our Art lessons will let children unleash their creativity in designing and crafting their own Mod Roc sculptures.

Finally, we are now a week into Lent and building towards Easter – the events of which are the foundations of the Christian faith. Our RE lessons this term are therefore built around thinking about who Jesus is and what he means to Christians.

Mr Pratley

Class Open Door

Please feel free to visit me in Year 6 and ask any questions you may have.
