**For:** being a patient and kind member of our class.

**Curriculum Award:** Molly

**For:** fantastic work in maths this week!

**Star Writer:** Theo

**For:** a brilliant information text all about the River Nile.

### Class News

We have had a great start to the Summer term in Class 4. The children have enjoyed getting started with their new learning across the curriculum. In Maths, we have been learning about money, moving onto calculating with decimals. In English, we have been learning about information texts and writing our own information texts about The River Nile. In Science, we have started our learning on gravity as a force, completing investigations to define gravity as well as measuring push and pull forces with Newton Meters. In History, we have started our learning about Ancient Egypt, focussing on The Nile and the Three Kingdoms of Ancient Egypt. We are looking forward to learning about the mummification process! In R.E. we have been looking at different churches and their similarities and differences. Ask your child about the tree church in New Zealand or St. Basil's Cathedral in Russia.

Have a lovely weekend,

Mrs Griffin 😊

### Our Christian Value this week is:

## Thankfulness

### Summer Term Reminder

As the weather warms up, please can you make sure your child is wearing appropriate SPF sun cream and has a reusable water bottle and sun hat in school. Thank you.
