CLASS 5 SHOWCASE

Year 6 parents are warmly invited to our Class 5 Showcase on the morning of Thursday 21st May. The children will have made their own pizzas the previous day so, with your help, we would like them to use their skills to make a range of colourful accompaniments such as coleslaw, rice and other salads. If the weather is kind, we will all enjoy their efforts in a picnic on the school field. Please do let me know if you are able to attend this morning session.

Class News

I want to start this week's class news by thinking back to the Easter Celebration Worship on the final Monday of last term. The Year 6 children were tasked with bringing to life the events of the Crucifixion and the Resurrection of Jesus and – if you were lucky enough to have been there – you will have seen just how brilliantly they worked together to wow the audience. I think it was the best performance I have seen which gives me confidence for the end-of-year production!

The children are now into their final term at Lea Endowed and before we know it, we will be waving them off to pastures new. There is still an awful lot to accomplish before then though so being in school, on time, continues to be vital. As a class we are deep into revising all areas of Reading, Maths and grammar that have proven tricky to learn – and we start this at 8:45am every day. In English we have been using the book *Wonder* to inspire us to write a range of formal and informal pieces; the formal apology letters have been excellent!

Please read the notice about our Class 5 Showcase above. We also have Bikeability training, swimming, the Enterprise Fair, production and Leavers' Service coming in quick succession after the half-term break. More information will follow shortly.

Our RE learning this term is focused on the impact and importance the Ascension and Pentecost on Christians. The children again put their performance skills to good use as they acted out and freeze-framed scenes from these two events.
