**15<sup>th</sup> July** – Disco @ 5pm – 6pm  
Reception, Year 1 & Year 2

### Class 1 Newsletter

**Friday 12<sup>th</sup> June**

#### Reception

We wrote about all the exciting things we did over half term. We thought what we wanted to write, then listened carefully to the sounds in the words to write them. In maths we have been revising our number bonds to 5. Ask us which numbers add together to make 5! In RE we are learning about prayer. We found out that there are lots of ways we can pray. We wrote prayers saying 'thank you' to God for the things we love. We are enjoying playing in our space station and making up exciting space-themed stories.

#### Year 1

This week we have completed our Phonics Screening. The children read really well and all enjoyed earning their stickers! We have been learning about position in Maths, such as forwards, backwards, left and right. Please can you practice at home by giving your child some directions to follow? In History we are learning about the history of space travel. We shared everything we already know about space. Our Science this term is about seasonal changes. See if you can find out how the amount of daylight varies throughout the year.

**Come to school** – it's really cool!  
**Be on time** – it helps you shine!

### Diamond 9

Our Diamond 9 word this week has been 'Independent'.

Please look at the overviews on the website to see what we will be learning this term.

Please note that the date for Sports Day has been changed to **Tuesday 7<sup>th</sup> July**. You are welcome to come and cheer us on as we take part in different sporting challenges on the field from 10.00 -12.00.

We have **lots** of unnamed jumpers and PE hoodies in our cloakroom & in Lost Property. Please pop in if you think they may be yours. Thank you.

Reception Certificate Winners	Year 1 Certificate Winners
<p><b><u>Curriculum Awards</u></b></p> <p><b>Louie</b> – for fantastic effort in his handwriting and letter formation.</p>	<p><b><u>Curriculum Awards</u></b></p> <p><b>Freya</b> - for making great connections in RE and using her retrieval from previous learning to support her answers.</p>
