

English

Reading

I will listen to and respond to a class novel - Wonder.

Writing

I will use P.E.E. to structure arguments in a discussion text.

I will write an instructions text using the appropriate level of formality to match the author.

Spoken Language

I will perform to a live audience.

Spellings

I will use a range of techniques to revise key spellings and spellings of unfamiliar words.

Curriculum Overview

Class 5 – Mr Pratley Summer 2

RE

People of Faith

I will explore what it means for a person to have faith and how having faith affects people's lives, values and decisions. I will discuss that Christian people are called to build God's kingdom here on earth. I will explore faith in more than one religion

PSHE

Keeping myself safe.

I will know safe, respectful and responsible behaviours and strategies for using social media. I will understand how to make decisions independently and responsibly.

What if?

Bringing God into all our learning

Do you have faith in God? How does faith affect our lives? What if God hadn't created light and dark? Why did God give us eyes to see?

Diamond 9

Creating Lifelong Learners

Challenge, Collaborative, Courage, Creativity, Flourish, Independent, Inspirational, Relevant, Unique

Multicultural Links

What are the experiences of others?

Learning about life in a different country

British Values

Democracy, Individual Liberty, Mutual Respect, Rule of Law, Tolerance of Different Faiths

Maths

- Solving mathematical puzzles and problems
- Maths linked to Enterprise (profits and loss)
- Recap of key objectives from Year 6 in preparation for Year 7 curriculum

Science

Light

I will describe, with diagrams or models as appropriate, how light travels in straight lines either from sources or reflected from other objects into our eyes.

I can describe, with diagrams or models as appropriate, how light travels in straight lines past translucent or opaque objects to form a shadow of the same shape.

Computing

Sensing

Design and develop a program to use inputs and outputs on a Microbit controllable device. (Test, debug and run)

Geography & History

Study of African History - Benin

I will use a range of sources to identify significant events from Africa's past.

I will explain what is known about Benin by studying its bronzes.

I will identify similarities and differences between Norman Britain and Eweka's Africa

PE

Athletics

I will run, jump, throw and catch in isolation and in combination with accuracy and varying speed.

I will demonstrate improved flexibility, technique, control and balance.

Art & Design

Drawing

I will study and appreciate 'Op Art'.

I will create a variety of Op Art style art using a range of drawing media.

I will replicate the work of Op Art artists, using some of their techniques.

Music

Reflect, Replay and Rewind

I can create my own rhythms.

I can use G, A, C, D and E to improvise and compose my own music.

French

Lifestyles –shopping.

Use entre to describe the position of a shop.

To take part in role play, speaking in French.
