Reception

We are learning about what makes a really good friend and thinking about how we can be good friends to others. In RE we learned about the twelve special friends of Jesus – His Disciples. In Maths we have been exploring sharing an amount between groups equally, and we are beginning to notice that sometimes an amount cannot be shared equally. We learned that numbers can be odd or even and spotted the pattern with these numbers. In science we are finding out about seasonal change. We have been noticing the signs that tell us summer has arrived. Ask us if we can remember how many months there are and what they are!

Year 1

It has been quite warm up in the 'Treehouse' this week and so we have had lots of hydration breaks and trips to the outdoor classroom to ensure we remained at a comfortable temperature. In RE the children had lots of fun trying out some of the foods Jesus would have eaten. Most children were really great at trying new things and giving their opinion on each one. In Maths we have been continuing our work on place value to 100 and have looked at counting on from any number and 1 more, 1 less. In English we have been using the joining words 'but' and 'or'.

REMINDER:

**Year 1 Show case Wednesday 1st July
@ 1:45pm.**

We would love you to join us on 6th July at 10.40am when Reception will be leading our school worship. We'd love to share it with as many parents and carers that can make it.

Reception trip reminder – 1st July

Children need to wear **school** jumper & T shirts, with own trousers/leggings and some robust footwear. Please accessorise for the great Preston summer, waterproof coats and sun hats/suncream! Remember a packed lunch with 2 non-fizzy drinks please.
