Class News

In Year 1 ...

It has been quite warm up in the 'Treehouse' this week and so we have had lots of hydration breaks and trips to the outdoor classroom to ensure we remained at a comfortable temperature.

In RE the children had lots of fun trying out some of the foods Jesus would have eaten. Most children were really great at trying new things and giving their opinion on each one.

In Maths we have been continuing our work on place value to 100 and have looked at counting on from any number and 1 more, 1 less. In English we have been using the joining words 'but' and 'or'.

REMINDER: Year 1 Show case Wednesday 1st July @ 1:45pm.

In Year 2 ...

A big thank you to all those parents who were able to join us for our class worship last week.

In English we have begun looking at the story 'The Owl who was Afraid of the Dark' by Jill Tomlinson. We have looked at shape poems and will be looking at acrostic poetry next week.

This week, in our Maths, we have started a new topic on statistics and used tally charts and tables to create block diagrams and pictograms. We have started our topic on seasonal change and used observation skills to look for signs of summer in nature.

In RE, we have explored the story of the Tabernacle and enjoyed building tents on our school field. They have been fun to sit in during all the hot weather this week!

Don't forget -
