Year 6 Leaver's Play - 16th July at 6pm

School closes for summer at 2pm on Tuesday 21st July

Heatwave!

The weather has been scorching this week, and we have made some adaptations in school to try and make things a little easier for the children. Children **NEED** a water bottle in school each day

There is some shade on our field but **sun-hats, caps and glasses** certainly help!

If possible, **apply 24 hr sun protection** before school as creams can get lost or not be applied properly, to provide full coverage. Thank you 😊

Sports Day

Due to the majority of our Year 6 children having a high school transition day on the 2nd July, it has been decided to move our Sports Morning to Tuesday 7th July between 10am and 12pm

Please note: if the ground is wet or it is too warm on the 7th July, we will take the opportunity, on a better day, to have our Sports Morning as a school family and unfortunately parents will be unable to attend.

This week

This week started well with Class 3 taking responsibility for Class Worship. Thank you so much to all the parents who were able to attend and an extra big thank you to those of you who really got into the Take That party mode and waved your arms during singing. The children LOVED that part! We have definitely taken our foot off the gas with work due to the extreme heat we have all been experiencing. There have been lots of quieter activities going on and many litres of water drunk! We have been looking at angles in our Maths this week, identifying what an angle is and identifying whether they are acute, right or obtuse. We continue to read The Boy at the Back of the Class in our English lessons and have been thinking about right and wrong and justice/injustice. The children seem to be enjoying finding out about refugees and empathising with the main character in the story. We looked at the scientist Thomas Edison in our Science lesson this week and thought about the difference electricity has made to all our lives.

Class Certificates

Class Superstar –

Layton for showing resilience and an improved attitude to his learning

Class 3 for trying their very hardest in Class Worship on Monday

Writer of the Week –

Leo S for speaking so clearly during practice and Class Worship

Freddie W for writing a really good explanation

Christian Value –

Alice for being a sensible, joyful and reliable member of our class

Elsie for flourishing even more in her last few weeks of Year 4

Our Christian Value this week is Justice
