Tuesday 21st July - End of Term, 2pm finish.

Class News

It has been lovely to see all of the children come back to school ready for the final half term of this academic year. In class 4 this week, the children have been busy starting their new units of work. It has been wonderful to see some of the fantastic work that the children have been doing at home, please keep sending this work in. In English, we have started our work on Kensuke's Kingdom and the children have enjoyed looking at the characters and making their predictions. In RE, we have started our learning about prayer and what this means for different religions. Please share any prayer that you do at home with us and we will print them out for our RE floor book. We have started our work on Climate and Biomes in Geography and looking at Gerald Durrell in Science. Have a lovely weekend, Mrs Griffin.

PE

This half term our PE days are Monday and Thursdays, please send your child into school in their PE kit.

I just want to say a big 'thank you' for all of your well wishes whilst I have been away from school. I am very grateful for Mr Smith, Miss Turner and our fabulous staff team as they held down the fort and kept everything ticking and everyone learning! I really appreciate all of your support and understanding, we are ready and raring to go with Summer 2! Mrs Griffin 😊
