CLASS 5 Enterprise Fayre

We are beginning to think about some exciting ideas for stalls for the Enterprise Fayre which is being held on Thursday 9th July at 2pm. Children work in small groups and take responsibility for the entire running of their stall, including paying for and purchasing all items they will need. We would be most grateful if parents can support them where able by paying for their items and sending their receipts to school in an envelope. We will pay you back for any money spent from the proceeds.

Class News

I don't need to remind anyone how warm it has been this week but I'm sure you are glad you haven't had to sit on poolside watching your child enjoy the cool waters of Fulwood Leisure Centre! Once again, the children have shown themselves to be superb ambassadors for Lea Endowed, already making a positive impression on the swim teachers and centre staff. The lessons themselves have been very timely. As well as ensuring children can swim 25 metres, they have reminded us how to stay safe if we happen to fall into cold, deep water. Maybe you could ask your child to explain to you what they would do?

With our mornings mainly given over to swimming, there has been less time for English these past two weeks. None the less, last Friday the children were able to use the laptops to write letters to local businesses requesting donations for our Enterprise Fair Raffle. If you too work for a business that may be able to donate a prize for our raffle or tombola, we would be extremely grateful for anything you can send in. Thank you too for supporting your children with obtaining the items they will need to run their stalls and don't forget to provide your receipts.

Next week looks like being another busy one! We have Level 3 Bikeability on Monday, High School transition sessions on Thursday quickly followed by Bend the Rules Day on Friday! Hopefully we can keep the good weather with slightly more comfortable temperatures ☺

Have a lovely weekend.
