Our theme this half term is

JOY

**"Let your light shine."** Matthew 5:16

It's been another highly eventful week, starting with Class Four's beautiful Worship on Monday, Reception's wonderful visit to The Bowland Wild Boar Park and two fantastic Parent Showcases for Years One and Two. A big thank you to all those parents who were able to join us in school for these events, however we do understand that it's not always possible for parents to get time off work, so no guilt please! We have also had our new Reception starters for September, have their first Stay & Play session- it was lovely to meet our new families. Nearly all the Year Six's had their first taster day at their new high schools on Thursday and have come back feeling a little less anxious about moving on, which is great. Today's fundraiser has been a huge success, raising approximately £400 which will go a long way to helping us with resources for all the children in school. Thank you so much! 😊

### School Milk Ordering Update

We would like to inform parents and carers that **school milk will now be ordered online directly by parents through Milk4life.**

Further information about the new ordering process, including instructions on how to register and place orders, will be sent home in a letter shortly. Please look out for this letter, which will provide all the details you need to ensure your child continues to receive school milk when we return to school in September. Thank you

### Staffing Update

Following a rigorous recruitment process, we have successfully appointed a new class teacher. We are delighted to have Mr Lee joining our school family in September, we think he will be a great asset to our team. Over the next two weeks, the governors are interviewing for a new headteacher – we are praying for a successful appointment and for the new headteacher to take up the new position in January.
