Reception Summer Round-up

What an exciting year it's been in Reception! We would like to take a moment to celebrate all that our fantastic Reception class has achieved.

The recent hot weather made us extremely glad to have a cool, air-conditioned classroom! The children loved splashing in our tuff tray paddling pools and avoiding/running towards Mrs Walton with the hose pipe! We've become skilled at applying our sunscreen and have learned how to enjoy the sun safely.

We were excited to attend a concert performed by all the children taking music and singing lessons in school. We loved watching the talented performers and celebrating the hard work of the older children.

We were also lucky enough to watch the hilarious Year 6 production. We loved seeing our buddies shining their lights so brightly as they sung and acted their socks off!

One of the highlights of the summer term was our trip to the Wild Boar Park. The children's behaviour was fantastic and they represented our school beautifully. They loved feeding the animals, exploring the park, harvesting potatoes and planting seeds. The amazing play area was a bonus and we absolutely loved the super-speedy zip wires!

We are incredibly proud of everything the children have achieved. They have worked hard, played hard, made wonderful friendships and created many happy memories. We wish you all a safe, relaxing and enjoyable summer holiday and look forward to hearing about your adventures when we return.

As we say goodbye to Reception and prepare for the leap into Year 1, we would like to thank you for your support and partnership this year. We can't wait to see where the children's journeys take them next!
