

Year 1 Round Up 2026

It's hard to believe that a whole year has passed since our Year 1 children walked through the doors of the Tree House, ready for new adventures and exciting learning experiences.

What a fantastic year it has been! We have packed so much into our time together and created many special memories along the way.

We began the festive season with starring roles in our Nativity, confidently sharing the Christmas story with family and friends. Throughout the year, we have welcomed visitors into school, including the Blackpool Schools Youth Workers, who helped us grow in our understanding of faith and values.

Our class led a wonderful worship on the theme of "God Can Make a Way," sharing the message that God is always with us, helping and guiding us through challenges.

Learning has taken us beyond the classroom too. We enjoyed a fantastic trip to 'Bring Yer' Wellies', where we explored the outdoors and discovered more about the world around us. During Extreme English Week, we became agents on exciting missions, completing a whole week's worth of challenges that inspired our reading, writing and teamwork.

In our RE learning, we explored where food comes from as part of our Harvest celebrations, thinking about God's provision and the many people involved in bringing food to our tables. We also unleashed our creativity by making our very own Bog Babies, inspired by the much-loved story.

Among the many activities we've taken part in this year, we completed the Bog Eyed Jog, showing determination and enthusiasm as we took on the challenge together.

Alongside all of this, we have developed our skills in reading, writing and mathematics, learned how to work collaboratively, supported one another, and grown in confidence. Most importantly, we have continued to learn how to let our light shine and help others shine too.

It has been an absolute privilege to be part of your Year 1 journey. I am so proud of everything you have achieved this year and of the wonderful young people you are becoming.

Have a fantastic summer holiday, enjoy lots of adventures, make special memories with your families, and get plenty of rest. I look forward to hearing all about your adventures when you return for Year 2.

With love,

Mrs Lucarelli, Mrs Bamber and Miss Wilson
