

Class 4 Summer Term Round-Up 2025/26

Wow, what a year it has been! I can't quite believe I am writing the Summer Term Round-Up! Class 4 have been working incredibly hard this year and it has been lovely to see them enjoying their learning. I have loved writing each and every report for Class 4, reflecting on their year and showcasing their learning journeys. I hope you enjoy reading them! For so many children, the step up to Year 5 can be a huge transition, one that has been a challenge for some of Class 4 this year. We have had a year of amazing experiences; including trips to Borwick Hall, themed days galore and getting hands on in lessons such as, History, Science and Computing. It has been wonderful to see many of Class 4 embracing every opportunity and becoming beacons of light in our school community. We have seen new members of the "Extra Miler", "Ethos" and "Eco" Group, which is a testament to the members of Class 4 and their hard-working attitude. We welcomed a new pupil this year, Nathasha, who settled in and became a part of our class family in no time. It has been so special to see many members of our class sharing their cultures and religion with their peers, celebrating the wonderful diversity within our class family. Thank you to everyone who participated in our "Cook-off" - well done to everyone and to our winners!

I want to thank all of the children for working hard this year and making fantastic progress and a huge thank you to you for your continued support and kindness, Mrs Griffin.

We have had a fantastic year this year and we would like to send all of Year 5 our best wishes for Year 6. I know that the Year 4s are going to have a brilliant year with Mr Lee in Year 5, I look forward to hearing about all their learning next year.

Thank you all for your support and I hope you have a wonderful summer holiday.

Mrs Griffin and Miss Turner ☺
