Reception

What a fantastic start to Reception we have had! The children are quickly settling into their new routines and getting to know the layout of the school and classroom. We are loving getting to know our Year 6 Buddies; they are looking after us so well and teaching us new games to play in the playground. In RE we are thinking how God has made us all UNIQUE and special. We have painted a self-portrait to show how we are different both on the outside and within. In Maths we have been looking at sorting and grouping and have developed our own sorting rules. We have started learning Phonics already. Have a look in our Phonics Book to see what we know.

Year 1

We are so proud of how Year 1 have settled into life upstairs in The Treehouse. They were full of excitement to tell us about their summer holidays. Thank you to those who made it to our Meet the Teacher evening too. In English, we've been having lots of short writing opportunities to get us used to writing again after the summer break and growing in our independence. We have looked at 'Tiddler' and 'Where the Wild Things Are' and have explored the settings and characters in these texts. In Maths, we've been exploring place value to 10 and subitising. In RE, we have begun looking at Harvest and where food comes from in the world. We learnt this week that not everybody has a good harvest and we thought about what we can do to help these people.
