### Class News

#### **In Year 1 ...**

We are so proud of how Year 1 have settled in to life upstairs in the treehouse. They were full of excitement to tell us about their summer holidays. Thank you for those who made it to Meet the Teacher evening too.

In English, we've been having lots of short writing opportunities to get us used to writing again after the summer break and growing in our independence. We have looked at Tiddler and Where the Wild Things Are and explored the settings and characters in these texts. In Maths, we've been exploring place value to 10 and subitising. In RE, we have begun looking at Harvest and where food comes from in the world. We learnt this week that not everybody has a good harvest and we thought about what we can do to help these people.

Reminder that snacks need to be healthy e.g. not crisps or cakes and fruit needs to be chopped up otherwise it will be sent home uneaten.

You're always welcome to pop in during Open Door on Monday afternoons, send notes in with your child, or email us at

## Class News

### In Year 2 ...

Welcome to Year 2!

It was lovely to hear about all the exciting things the children have been doing over the summer holidays. They have all settled well into their new class routines.

In English, we've been exploring the text 'The Way Home for Wolf' by Rachel Bright.

The children have been collecting interesting vocabulary and using drama techniques to explore the feelings of the main character Wilf. The children have written short character descriptions.

In spelling lessons, we have been focusing on tricky words and practising the days of the week.

In Maths, we've been exploring place value to 100, making numbers using base 10 equipment and partitioned numbers into tens and ones. We have also begun partitioning in different ways this week and counted tens on a number line.

In Science, we are investigating everyday materials. The children have sorted objects into groups and completed a materials hunt in our outdoor areas.

In RE, we are looking at special books and this week we have looked at our Bibles. We have chosen our favourite Bible stories and created artwork inspired by them.

### Snacks

A reminder that snacks need to be healthy e.g. not crisps or cakes, and fruit needs to be chopped up. Grapes and other spherical fruits should preferably be chopped into quarters to reduce the risk of choking otherwise it will be sent home uneaten. Thank you.

You're always welcome to pop in during Open Door on Monday afternoons, send notes in with your child, or email me at [s.ramsay@leacofe.lancs.sch.uk](mailto:s.ramsay@leacofe.lancs.sch.uk).

For urgent messages, please contact the school office. We would be grateful if you could share this reminder with anyone involved in drop-offs or pick-ups.

Thank you so much for your support and cooperation.

Have a lovely weekend,

Mrs Ramsay, Mrs Bamber & Mrs Edwards
