Ollie - for fabulous presentation in his Maths work.

Harrison- for wonderful writing using his sounds independently.

Alfie – For using 'and' and 'but' to extend his sentences.

Allan – For good use of verbs in his written work this week.

Class News

In Year 1 ...

We are so proud of the Year 1's this week at how well they have learnt their poem for Autumn Praise. It was lovely to welcome you into school yesterday to share it with you and the rest of the school family.

In Maths, we have been counting backwards from 10 and finding one more and one less than a given number. In English, we have been working hard on learning our poem and looking at Autumn themed stories. We read Leaf Man and talked about the things he could do and gathered some describing words.

On Monday we had an exciting visit from Blackpool Schools Youth Work to give us a workshop on God's wonderful creation. We learnt that the Holy Bible is God's special book. We thought about all the wonderful things that God created for us in our world.

Class Open Door

Please, feel free to visit classrooms and ask any questions you may have.

Year 1

Monday 3:20pm – 3:40pm

Year 2

Monday 3:20pm – 3:40pm

Be **STRONG** &
COURAGEOUS
do not be afraid
or discouraged
the **Lord YOUR GOD**
is with you
WHEREVER
you go
Joshua 1:9

Class News

In Year 2...

Well-done, Year 2! We are so proud of you all this week!

The children spent time learning their poem and actions and preparing pictures and props for their performance yesterday morning.

A big thank you to all the grown-ups who were able to join us and we hope you all enjoyed our Autumn Praise as much as we did.

In addition to learning our poem this week, we have been collecting adjectives and verbs and created noun phrases to use in our writing – all on the theme of Autumn.

In Maths, we've been counting in 2s, 5s and 10s and explored patterns up to one hundred. Please practise counting in 2s, 5s and 10s at home with your child to help them recall them with increased fluency.

In Science, we have investigated which materials float or sink and explored whether objects can be changed by squashing, bending, twisting or stretching.

In RE, we have been exploring stories from the Old and New Testaments and begun learning about the discovery of the Dead Sea scrolls.

Harvest Day – Thursday 22nd October

This year we are supporting the Mercy Ships who provide medical care to those who have no access to surgical interventions and treatments.

We will be holding a non-uniform day and the children may come to school in red, white, green and/or blue on the day. These are the colours of the flag of Madagascar where one of the ships is currently docked and providing medical aid, and blue for the ocean. Charge is £1 for coming in non-uniform.

The Extra-Milers, Eco group and Ethos group are planning activities on this day. Details to follow.

You're always welcome to pop in during Open Door on Monday afternoons, send notes in with your child, or email me at s.ramsay@leacofe.lancs.sch.uk.

Have a lovely weekend,
Mrs Ramsay, Mrs Bamber & Mrs Edwards
