Monday 2nd November - School reopens at 8:45am

Tuesday 24th November and Wednesday 25th November - Parents' Evenings (information to follow)

Class News

It has been another great few weeks in Class 4. It was great to see so many of you yesterday at Autumn Praise. I am so proud of the efforts of the class in learning and performing all 3 songs. We have done lots of wonderful learning in the last few weeks. In Maths, we have been looking at addition and subtraction using the column method. It has been brilliant to see such enthusiasm for doing maths, with the children pushing themselves to use big numbers. In English, we have been looking at writing newspaper articles and what we need to include to make one. Ask your children why the centaur made the news in our newspapers. In Science, we have started looking at bones and what they do in our bodies. We did an experiment to find out what happens to our bones as we get older. In R.E, we have been pushing ourselves to use the Bible to find different verses and discover their meaning. In Computing, we have been looking at Word and how we can use it to make different types of media. I hope to see lots of you on Sunday at St Christopher's for the Harvest service at 10:30am. We hope you all have a lovely weekend from Mr Lee and the whole Class 4 team.

Christian Value: **Courage**

Important Notice

On Thursday 22nd October, we are having our harvest fundraiser for the Mercy Ships. Ask your Children about the Mercy Ships and all the wonderful work they do around the world. For £1, the children can come dressed in non-uniform in the **colours red, white and green** (colours of the flag of Madagascar where the mercy ships do some amazing work, and also **blue** for the sea.
