COURAGE

For I am the
LORD, your
God, who
takes hold
of your
right hand
and says to
you, Do not
fear, I will
help you.

- Isaiah 41:13 -

"Let your light shine." Matthew 5:16

A heartfelt Thank You to everyone who was able to join us for our Autumn Praise celebration, last week. We were all so proud of the children bringing joy to our school family as we celebrated the Awe and Wonder of God's wonderful world. A special well done to our Reception children who bravely performed in front of their first Lea Endowed audience; they were amazing! It was great that so many of our guests got up and danced too, thanks for joining in! We really appreciate all the gorgeous comments from parents and grandparents which were so encouraging, we've passed on your kind words to the school family. We also had a wonderful turnout from school at the St Christopher's Harvest Service on Sunday. It was great to see so many families, thank you for being there.

GLOWEEK – BE BRIGHT BE SEEN

As the days grow shorter and the evenings become darker, it's more important than ever for children to be visible when they're out and about.

From **19–25 October 2026**, join the [Child Brain Injury Trust for GloWeek](#): for their annual road safety awareness campaign encouraging children, families, schools and communities across the UK to **Be Bright, Be Seen**.

A simple choice, such as wearing bright colours, reflective clothing or carrying a light, can help children stay safer on roads and pavements during the Autumn and Winter months.

GloWeek helps children understand the importance of being seen while encouraging conversations about road safety, kindness and looking out for one another. Together, we can help make journeys safer and shine a light on the impact of childhood acquired brain injury.

**ADMISSIONS CONSULTATION
SEPTEMBER 2028**

This term we are consulting with parents, church and the local community about our proposed Admissions arrangements for children starting school in September 2028. The proposed admission arrangements for 2028/29, and supporting letter, will be sent home via Parent Pay today.

Please note, following last year's consultation, governors made changes to the requirements for church attendance. Paper copies are also available from the office.

HARVEST – MERCY SHIPS

On Monday, we had a visit from Catherine, who talked to us about her time working on the incredible Mercy Ships. We were all moved and deeply humbled by the huge sacrifice people like Catherine make by giving up their own personal time, family life and salaries to help support those who are in great need of loving medical help. One of the ships is currently docked in Madagascar whose flag is Green, Red and White. **Next Thursday 22nd for a £1 donation, the children may come dressed in the colours of the flag plus blue (representing the oceans and seas)**

Our 3 E groups are organising the sale of biscuits, bracelets, colouring competition (KS1) a create a recycled ship competition and a Guess the Bear's name so if you would like to send in an extra 50p or a £1, this will all go towards supporting the Mercy Ships. Many thanks in advance for your support.

**MRS SEAGRAVE'S HEADTEACHER'S
