Tuesday 15th December – KS2 Christmas Party.
Wednesday 16th December – KS1 Christmas Party.
Friday 18th December -School closes at 2pm.

Class News

We had a wonderful last half term in Class 3. All of the children had settled really well and had been trying hard in their lessons. In maths, we have been learning about column addition and column subtraction. Everyone has been working on exchanging to calculate – which is really tricky! As part of our Harvest Appeal, Catherine from Mercy Ships came into school to tell us all about her work. In English we read about a little boy called Mourinho who had some life-changing surgery on board one of the Mercy Ships. We wrote him a letter to say how inspiring he is to us in Class 3. In Art, we finished our sketches using water colour washes. In History, we finished our learning on the Victorians by making "Queens Drop Biscuits" – they were delicious! In Science, the children loved exploring skeletons. Ask your child about endoskeletons, exoskeletons and hydro-skeletons! In PE, class 3 have been working hard on developing their throwing and catching skills and how to "feint" pass in handball.

Thank you all for your support and kindness, we have really enjoyed the start to our year as a class family! Have a lovely weekend,
Mrs Griffin and The Year 3 Team 😊

Thank You!

Thank you to everyone who has donated to our Harvest Appeal for Mercy Ships. We had some amazing boats that were created and the children loved showcasing these in school on the last Thursday of half term. We are so inspired by what the Mercy Ships do for people and we hope that your child has felt inspired too!
