Tuesday 15th December – KS2 Christmas party & Christmas Lunch
Friday 18th December – School breaks up for Christmas @2pm

Class News

I hope you all had a lovely half-term break. It has been great to see everyone again after a week off and we are back to doing some great learning. In Maths, we have continued our work on Multiplication and Division and have been doing square numbers which we have done amazing on. In English, we have started our new book called Snaggletooth's mystery and we're waiting to see if the predictions we have made about it will be correct. In Science, we have learnt all about appliances. Ask the children the difference between a mains and battery powered appliance. We showed great resilience in Music this week as despite being given a really tricky song to play on the glockenspiel, we worked really hard and produced a great performance. We have started to look at Preston in Geography. Thank you to everyone who sent in their pictures from over half-term. It has been great to see the children getting out and about at different Preston landmarks. We are also very excited about our Christmas nativity and have just started to learn all our new songs. We can't wait to show you what we have been working on. I hope you all have a lovely weekend. From Mr Lee and the Class 4 team.

Important Notice

Thank you for all of your help with the Harvest day and our Mercy Ships fundraiser. We raised over £400 as a school which will really help a brilliant cause.
