**This Week...**

In English we have been looking at information texts. We have been reading non-fiction books and leaflets and have been gathering information for our own fact sheets on different types of houses which should complete this half term's topic of 'Home Sweet Home'.

In Maths we have been comparing length, height and weight using the words taller, tallest, shorter, shortest, heavier and lighter. We have also learnt how to use the tip balances and have been measuring items in non standard units.

In phonics we have begun phase 5 and have looked at the sounds ay, ou, ie, and ea and the tricky words oh, their and people.
