## Autumn Term - 14/12/2018

### This Week

In **English** this week, we have written our own newspaper articles about the wildfires that recently took place in California. In **Maths**, we have focussed on fractions; identifying equivalences. In **RE**, we continued to look at the two Biblical accounts of the Christmas story through Christmas Carols. We also have been retelling the Christmas story through our Production rehearsals (which are going very well). In **Science**, we carried out an investigation exploring how we can reverse changes through separation and filtration (we did this in the context of sewage). In **Art**, we focussed using a variety of medium to make Egyptian sarcophagi.
