Our theme this half term is
TRUTH

"Let your light shine." Matthew 5:16

Welcome back to the Summer term! I hope you all enjoyed the gorgeous sunshine and had a very Happy Easter. The children thoroughly enjoyed the special Easter Celebration Day and the variety of events and activities meant that every child was involved in a wealth of learning experiences linked to the Easter theme. Thanks also to the parents and other guests who joined us for our Easter Celebration. The feedback and comments were so positive - it seems that the children inspired us all. Well done and thank you to all the children who took part in the Decorate an Egg competition. There was an exciting range of themes and the standard was high, making the job of choosing winners a real challenge. Please see individual Class Newsletters for your child's class winners.

Reminder: Please send in any photos or information of how you experienced different cultures over the Easter holiday (eg different Easter customs) - we would appreciate you sharing them with us. Please can you also let us know of your child's cultural heritage. We love to celebrate the diverse backgrounds of our school family.

I am extremely proud to announce our two new Extra Milers :-

Dorka and Elissa have been chosen by both staff and children for always displaying a wonderful positive attitude to every area of school life, and for putting additional effort into all that they do. We are very proud of them and look forward to them being wonderful ambassadors for our Lea Endowed family.
