

Class 3 Newsletter 16.04.21

Hello everybody! Isla B, Ellie, Percysledge, Max, Emily, Edward, Chloe, Oliver, Alexie, Reilly, Freddie K, Ruby, Sofia, Eva P, Lewis, William, Isla S, Eva S, Charlie, Harry, Rhys, Tilly, Adam, Dashel, Matthew, Isabella, Daisy, Florence, Neve and Freddie Y! Super efforts this week Class 3, well done!

This week in Class 3...

We have been really busy this week starting a new topic called Amazon Adventure. In English, the children have been collecting for and against arguments from a variety of sources to prepare for writing a debate or a persuasive speech about deforestation. In Maths, we have been working hard on our recall of multiplication facts. In Science, we will be observing the similarities and differences in the life cycles of animals, plants, birds and insects. In order for the children to observe this, we have planted seeds that we will continue to look after during this term, measuring how much they are growing each week.

Road Safety

As you might be aware, parking around school has been extra challenging at the moment due to the work being carried out. There are increasing numbers of large vehicles travelling on the roads around our school at the moment. Please take extra care and caution when parking and crossing the road.

Courageous Advocate

The courageous advocate that we have been celebrating this week is Stuart King. Stuart King was an engineer, a pilot and a pioneer who delighted in the potential for technical innovation to serve God better. He helped to create Mission Aviation Fellowship (MAF), a Christian missionary organisation that also acts as a humanitarian air service, flying life-saving supplies into countries that need them

Certificates

Christian Value award - Trust

Oliver and Eva S

Curriculum award

Florence

As always, if you need to contact me, my email address is

l.shepherd@leacofe.lancs.sch.uk

Have a lovely weekend!

Miss Shepherd ☺
