

Hello James, Jack, Ethan, Louie, Sam, Kobi, Jess, Rosalie, Georgia, Maisie, Sharlyne, Wiktorina, Bobby, Grace, Nabila, Lily, Harrison, Archie & Leon.

In school this week we have been looking at the oceans and have been trying to remember their names. Do you remember the song we listened to about them? See if you can search for the Oceans song on YouTube with the help of an adult, and sing along.

In class this week, we have looked at sea creatures and learnt about what they like to eat and where they can be found. We then decided to make a large underwater scene which we could use as a backdrop for a show. Here is a photo of our final design. As you can see, we made paper jellyfish with tentacles and sea snakes to hang. Mrs Gingell also showed us a special way to use flour, salt, paint and water in the microwave to make coral which we were amazed by. Then we watched some videos about divers looking for pearls and finding different multi-coloured ones. We wanted to have a turn at pretending to be divers and so we created our own underwater shows for the rest of the class.

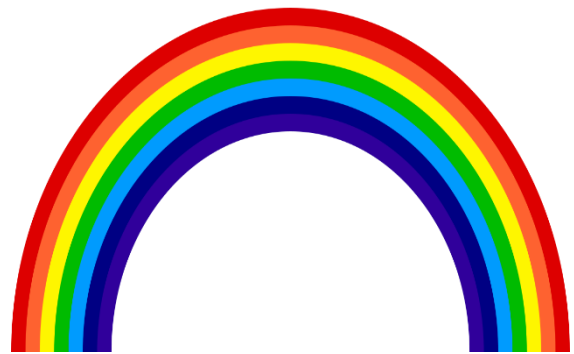

Next week is forecast to be dry and that means we are hoping to be able to meet you all outside before the Summer holiday. We would like you to come into school on Wednesday 15th July between 1.45pm and 2.30pm. You can bring a disposable drink and two small snacks so that we can enjoy these

out on the field, like a picnic. We are hoping that you will be able to see your Year 6 buddies at this time too before they move to High School. If the weather is not good, we will let you know on the morning and we have a reserve date of Tuesday 21st July, 11.00am to 11.45am. Your reports will also go home with you on this day. We are really looking forward to seeing you all at a safe distance so that we can say goodbye to you before you move into Year 1.

We are also asking you to send in a photo of some home learning that you have carried out, so that we can create a memory book. Thank you for those who have sent photos in over the past few weeks. For everyone else, please can you email me your photos on a.bamber@leacofe.lancs.sch.uk by Tuesday afternoon.

I hope you are all keeping safe and well and please remember that it's okay to sometimes feel a little worried, scared or unsure of all the things that are going on in the world right now. Remember that God is helping us get through this tough time and he is always listening to you when you need Him. Remember to keep listening to your grown-ups, keep trying hard in all that you do, keep smiling and keep shining brightly!

Lots of love,

Mrs Bamber
