In Class...

Wow! The last few weeks have been super busy!

SATs

We have completed our SATs tests, including time for eating toast and sweets! ☺ The children were fantastic ALL WEEK...they were an absolute credit to you as their parents and to Lea Endowed with their concentration and resilience. I am so proud of them all!

Safer Cycling

The children have now all completed 'Passport to Safer Cycling'. They listened carefully and really enjoyed the course! I am sure you will agree that this is an essential life skill that the children need.

Jubilee Celebrations

This week we have celebrated The Queen's Platinum Jubilee! We have written to The Queen to congratulate her and hopefully we will receive a reply! We have also been singing the national anthem and had a full day of celebrations on Friday, including a Jubilee Picnic lunch!

We have also been exploring the use of calculators in Maths lessons.

In R.E. we have been reflecting on Ascension and Pentecost through artwork and poetry.

In History, we have been finding out about key events in the 1960s and we have created some fantastic 'pop art' in the style of Andy Warhol. In Science, we have been finding out about the effect of exercise on our heart rate and why this happens.

Don't Forget!

OPEN DOOR – Monday morning 8:30am until 8:45am. Please feel free to visit our classroom and ask any questions you may have.

*P.E. kits on Fridays please (please note – there will be no additional P.E. on the 2 weeks we are swimming)
