

Class 3 Newsletter 02.07.21

This week in Class 3...

We have been recapping key Maths and Grammar skills, as well as working towards finishing our reports about the Ancient Greek Olympics. I have been so impressed with the writing the children have produced so far, I can't wait to see the finished product! In RE, we have been thinking about what we are thankful for, and writing some lovely prayers to say thank you. In History, the children have been discussing democracy and comparing how laws and rules were decided during the Ancient Greek Empire with more current times in the UK. The children have been conducting lots of investigations in Science. We have been looking at animals and humans and how they/we change over time. This week, the children compared their shoe size to the size of their hand and presented their data on graphs. The children also really enjoyed our Marvellous Maths Morning yesterday. Class 3 were exploring angles and shape. Pictures will be available on the website shortly.

Courageous Advocate

The courageous advocate that we are celebrating this week is Rev. Chris Lee. Rev Chris Lee is the Vicar of St Saviour Wendell Park. He uses his social media platforms to communicate the goodness of Jesus Christ, and has been asked to help the Church of England think about the best ways to use the social media space.

How many Instagram followers does Rev. Chris Lee have?

Race for Life

A reminder that next week (Wednesday 7th July) is our Race for Life. Children are allowed to wear something [blue](#) as they take part. Please visit our Online Giving page if you wish to donate, which I have included the link to here.
