HOPE

"Let your light shine." Matthew 5:16

It was great to celebrate Sports' Day together last week; thank you to all those parents, carers, relatives and friends who came along to enjoy the activities, on such a gorgeous day. Many congratulations to Rowan (the red team) who won, with the most points overall this year. The cup is now adorned with its red ribbons for all to see!

As we are gradually approaching the end of the summer term, and the Lea Endowed school year, there is a significant focus on transition within our school. All children experience changes every day but for some children, any transition can present unique challenges that require additional and individual support. We spend valuable time preparing our children to help them make any transition as positive and as smooth a process as possible. We have already begun the process of transitioning our new starters into school in September, and our Year 6 children are spending time meeting Year 7 tutors and having discussions and visits, in readiness for their move to high school.

Within school, teaching staff are sharing important information on your children's progress, needs and skills to enable them to move on to the next year group as seamlessly as we can. Our children (apart from Year 6) will spend time in their September classes on Wednesday 16th July. This is always a positive experience for our school family.

"Compassion" Toy Sale

We are absolutely delighted to have raised an incredible **£464.40** at the Toy Sale last Friday. A huge thank you for all your generous donations of toys and games. This will have a life-changing impact on Hamza and will secure his education for another year at school in Tanzania.

Thanks also to the Ethos group for helping to plan and organise this great event.

MRS SEAGRAVE'S GREAT MANNERS AWARD

I am delighted to have presented my special awards for excellent manners and a wonderful, respectful attitude to:

Alexander in Y3

and

Tanatswa in Y2

Well done and keep shining brightly. I am very proud of you.

Parent Governor Election

Following our Parent Governor Election process, I am delighted to welcome **Gary Dolley**, who is a parent of Rogan in Reception, to our Governing Body. We look forward to having him on the board.

Days off school add up to lost learning

175 NON SCHOOL DAYS A YEAR

World Events

I am very conscious that currently there are many world events that can seem unsettling, and overwhelming at times.

At Lea Endowed we focus on praying for peace in our world and looking to God to help us in the challenges of life as well as in the times of joy. Last Friday, I sent out a poster on Parent Pay, which you may find helpful in knowing how to open conversations with your child(ren) or offer them ways to process their feelings if they are feeling anxious about what is going on in the news from around the world.

Please get in touch or see the website for further help and support.

Thank you for your ongoing support. As always, please get in touch if you have any concerns or would like to share some good news or something we can celebrate together,
