"Fire, Fire!"

Happy New Year to all! I hope you all had a wonderful Christmas and New Year.

The children have been very excited this week to return to school. The class are fantastic learners and always enjoy the challenge of new learning, building on their previous skills. They have all settled well into the school routine and have been very enthusiastic in their approach to learning. A brilliant start!

This term we will be focusing much more on improving the presentation of our work. The class are always proud of their work and are trying their best to both write more and use correct letter formation, including correct size letters and space between words.

Learning this Week

In **English** we have been composing humorous rhyming poetry about students disappearing from the classroom and hiding from their teacher. Some children have an amazing imagination! The class have been very creative in their thinking.

In **Maths** we have been revising place value. The class are demonstrating excellent understanding of comparing and ordering numbers from 0-100 plus recognising the place value of each digit in a two-digit number.

In **RE** we discussed how we make friends and what makes a special friend. We also thought about how we show we are a good friend to others and talked about the way Jesus showed he was a good friend to others.
