

Hello Year 1,

How are you all doing?! I don't know about you but I am getting very ready for seeing and talking with different people. Maybe you are feeling a little bit like this too and you know what, that is okay!

We have been home for a very long time now, even longer than our school Summer holiday but it is very important we continue to keep safe and keep going. I will be praying that God will give us the strength to keep going and that He will inspire each and every one of us with fresh ideas and that you might continue to enjoy this unusual but very special time with family at home. You can pray this prayer too.

You are all so creative and are able to keep going even when things are tough. So even though we are apart, let's all keep going together and hopefully, very soon, you will be able to see people again and enjoy doing more things outside of the house with family and friends.

I hope you are enjoying the new Summer Seaside Project. Mrs Ramsay has been busy buying prizes for the 5 best projects!! We really look forward to seeing what you have been doing.

With love from

Mrs Lucarelli
