

Class 5 Spring Term Targets

Reading

To read a wide range of books independently and discuss reading making inferences.

MA! Explain the effect on the reader of the author's choice of language and reasons why the author may have selected these words, phrases and techniques.

Writing

Use verb tenses consistently and correctly throughout their writing.

Manipulate sentences to create particular effects (MA).

GPS

To successfully tackle questions related to word class and punctuation.

Maths

To perform mental and written calculations with mixed operations, large numbers, decimals and fractions with increasing speed (arithmetic).

Solve problems involving all four operations including those with missing numbers (MA).

R.E.

To understand 'Who is Jesus?' to Christian people.

MA! To reflect on who Jesus is to them and how this affects their lives.
