### Getting to Know You...

We have had fun settling into school life again and getting to know each other. I think it has been a bit of a shock to the system for a few of us...but hopefully a

pleasant one for most!

It was great to meet some of you at 'Meet the Teacher'. For those of you who were unable to make it you have hopefully found the information that has been sent home. If you would like to meet to chat at any point we will be available every Monday 3:15-3:30pm for Open Door. Or feel free to make a telephone appointment.
