

Hi Everyone

I am missing all of your smiley faces, I hope you and your families are safe and well.

I am spending some days in our classroom helping Mrs Moores and the other days I am at home cutting out and laminating things to use in class for when we all get back together.

My dog, Nala, is very confused when I am at home, I think she is saying 'What are you doing here, you're usually at school!' or 'What, another walk!'

Mrs Moores is showing me all your beautiful work that you have been emailing in, I am so impressed with your home learning, keep going you are doing so well.

See you all soon

Mrs Gingell.
