Spring Term – 28.2.20

This Week...

Welcome back to a new half term; it is hard to believe we have entered the second half of the school year! Hopefully Spring is springing and we can enjoy some time outside and some sun on our faces! We started the new half term discussing Lent. Lent is a journey that moves us towards the cross and a renewed love for God. The children have all made their own personal promises which will be displayed in our Reflection Area. We have begun a new unit in English, looking at play-scripts and we have also been exploring main and subordinate clauses which should improve our writing. In our Maths we have been looking at angles and really developing our mathematical vocabulary. Once again, we have discussed online safety in Computing and started our new History topic on the Romans.

Next Week...

Please note that most of the Year 4 children will be involved in Sing Together on Thursday 5th March – please return any outstanding slips as soon as possible

We shall continue our work on play-scripts and be using our voices to perform plays as well as preparing to write one. We shall be returning to addition and subtraction in Maths and using statistics as our context. We shall also be outdoors for our first Science lesson on Animals and their Habitats – please ensure your child brings some outdoor shoes on Monday as we may get muddy! We shall be investigating the joy and sadness of Easter in our RE.

Our Christian Value this week is Justice

We are creating a book of Lent Promises in Class 3 over the next few weeks. If your child achieves one of the challenges sent home on a wallchart this week, please send in a photograph or example, and they will appear in the book as well as having their name put in the Mirror Book.

Please note that a new homework project has been sent home this week.

We shall be creating Roman shields in our Parent/Child Showcase. If you have any large pieces of card, larger than A3, please send them into school over the next couple of weeks. Thank you!
